THE REPUBLIC OF UGANDA

[www.ebiz.go.ug](http://www.ebiz.go.ug)

Uganda Investment Authority (UIA) is the first point of contact for any potential investor

# YOUR **ONE** STOP CENTRE GUIDE

## What is the One Stop Centre?

It is the first point of contact for any potential investor and it was established to enable the local and foreign investors easily start up, get the necessary requirements in the shortest time possible.

It allows you to access and apply for various licenses and Permits to operate and do business in Uganda in the shortest time possible under one Roof.

## Who visits the One Stop Centre (OSC)?

1. A person who carries on business activities, and is required to apply for different regulations, licenses, facilitation and aftercare services.
2. A person being national or foreign, and carries on business activities or intending to carry on a business activity.

## Who is an Investor?

An individual or a legal entity duly engaged in the business of value adding, manufacturing and like activities which create jobs, introduce new technology and pay due taxes when s/he makes a profit.

## ➔ What offices are at the One Stop Centre?

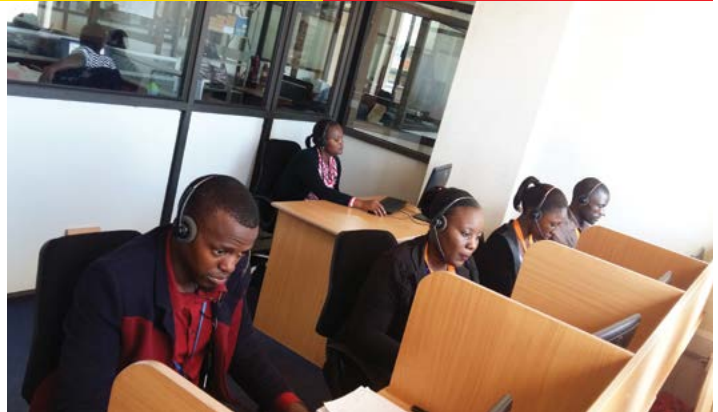

### UGANDA INVESTMENT AUTHORITY

This office is under the Uganda Investment Authority and it is generally charged with the issuance of the Investment License.

#### What is done in this office?

- Receiving and appraising Applications for the Investment License
- Guiding and advising investors on;
  - i. *Respective Ministry Requirements and Secondary licenses. Some of the sectors that require regulatory approvals may include: Energy generation, Mining, Banking, Air transport, Pharmaceuticals production, education and health.*
  - ii. *Requirements for the UIA Land in Industrial and Business Parks in Uganda*
  - iii. *Incentives on Acquiring the Investment License*
- Providing Information on the roles of UIA in the Country

*For more information please Call 0414301101*

## UGANDA REGISTRATION SERVICES BUREAU

Company Registration is the first step to formalizing a business in Uganda. The Registration Services Act creates the Uganda Registration Services Bureau to register all business entities in Uganda.

### What services are offered by URSB at the OSC?

- i. *Registration of both the local and foreign Companies*
- ii. *Registration of Business Names*
- iii. *Registration of the Legal Documents*
- iv. *Advisory services on Company Registration*

A Registration Services Bureau Officer in the OSC is at hand to assist and offer advice to prospective Investors.

For more information you can visit the website [www.ursb.go.ug](http://www.ursb.go.ug) or call 0414301103

## UGANDA REVENUE AUTHORITY

This Government Agency was established by an Act of Parliament in 1991 as the Central body responsible for Tax and Revenue matters.

### What URA Services do i find at the OSC?

- Tax Payer Identification Number (TIN) Registration
- Providing Information on Uganda's Tax Structure
- Providing Information on the available Tax Incentives
- Advisory services on any other Tax matters.

A tax official in the OSC is available to assist and offer Tax advice. Applications for TIN and taxes can be done online and guidelines can be accessed via the URA website [www.ura.go.ug](http://www.ura.go.ug) or call 0414301104

## KAMPALA CAPITAL CITY AUTHORITY

According to KCC Act 2010, the Authority is the governing body of the Capital City and shall administer the Capital City on behalf of the central government.

### Trading License

KCCA supports the promotion of investment, trade and entrepreneurship within the capital city and the country at Large. In order to enhance and facilitate efficient service delivery to the business sector, KCCA provides the trading license instantly at the One Stop Center (e-Biz) which is a permission granted to someone upon application to a controlling authority to do something in prescribed manner, usually after fulfillment of certain conditions and/or payment of a fee.

#### **Who is eligible to pay?**

Any person carrying out business in KCCA's jurisdiction.

## Why are you paying?

It is a Legal requirement for any person selling goods and services as provided for by the Licensing Act CAP 101 and the Trade Licensing Amendment Act of 2015 enable KCCA regulate trade and order. According to Kampala capital City Act 2010, Kampala Capital City Authority (KCCA) is mandated to provide services which are but may not be limited to the following:

- Construction and maintenance of Roads.
- Construction and maintenance of major drains.
- Installation and maintenance of street lights.

## How is Trading License levied and paid?

KCCA has a robust computer based revenue management system dubbed “eCitie” that has been designed with an overall objective of modernizing and enhancing revenue collection in the City. The system employs modern business practices and any person or entity required to make payments to KCCA will be able to conveniently pay from anywhere at any time and using several payment options including the use of mobile money, bank transfers and other electronic platforms. Conditions to satisfy before acquiring a trade license include:

- Appropriately located premises
- Appropriate hygiene and health standard of premises
- Appropriate building standard of premise.
- Required personal specifications e.g. medical fitness especially for vending consumables.
- Fair assessment of a fee to be paid.

*For more inquires on Trade Licensing,*

*please visit [www.kcca.go.ug](http://www.kcca.go.ug) or [www.ecitie.kcca.go.ug](http://www.ecitie.kcca.go.ug) or any Division Urban Council Offices -Revenue, Large tax Office at City Hall*

*Toll Free Line: 0800 99 00 00, Email: [eservices@kcca.go.ug](mailto:eservices@kcca.go.ug), SMS Short Code: 7010*

## UGANDA NATIONAL BUREAU OF STANDARDS (UNBS)

The Mandate of UNBS is to formulate, promote and enforce National Standards to enhance the Competitiveness of Ugandan Products, promote fair trade and protect Consumers.

### What does the UNBS Office at the OSC do?

- Provide information on applicable Uganda Standards for the Investors
- Provide information on Certification of products and systems as per Uganda Standards.
- Provide Information on product testing in the UNBS Laboratory
- Promote and facilitate the adoption and use of standardization services to enhance the quality and competitiveness of locally manufactured products

## THE WEB PORTAL (eBIZ)

The electronic One Stop Centre for investors web portal [www.eBiz.go.ug](http://www.eBiz.go.ug) is now operational and allows businesses and individuals to use one entry point to apply for various licenses and permits required for doing business in Uganda.

### The services currently offered include:

Searching for a business name and reserving it  
Verifying land ownership through applying for land verification/ search letter

### How do I use the e-Biz to verify land Title Ownership & Reserve a Business Name?

- Access the eBiz system via a web browser and type the address([www.ebiz.go.ug](http://www.ebiz.go.ug))
- Request for an account on the eBiz log in page
- Enter your user name and password when you get one

- You will be guided step by step and you can start a new application
- If you need assistance please call our help desk toll free lines: 0800300366 & 0800300336

## Steps for verifying land title details

1. Prepare an e – application
2. Define / determine payment method
3. Upload the proof of payment
4. The ministry of Housing, Lands and Urban Development officer will then accept the request for verification/search letter
5. The e-application is processed within the system
6. The land verification/search processing results are recorded

## How do I submit an e-application?

1. Start the e-application
2. Select the service you require
3. Enter/edit your particulars
4. Enter the land details/address
5. Complete thee-application
6. An e-application for name reservation or land verification is generated and printed out
7. Accept the slip and submit
8. A payment assessment slip is generated and the user acknowledges it
9. Currently the services are paid for in the bank
10. The payment is verified by Uganda Revenue Authority in the eBiz system
11. The officer at the Ministry of Housing, Land and Urban Development or Uganda Registration Services Bureau receives the e-application
12. The required data is then processed via the eBiz system and the results communicated to the user via email

## When will the other services on the eBiz be available?

By the end of the year (2016). The systems of the integrated entities are being harmonized to provide a fully transactional system.

## When fully functional, the online services will include:

- Applying for a business name
- Business Registration
- Investment License Issuance
- KCCA Trading License
- Tax Identification Number (TIN) for company
- TIN for Company Directors
- Work Permit
- Special Pass
- Environment Impact Assessment Certificate
- Payment for all the services online by credit card, Debit Card, Mobile Money or Bank Transfer

## After I have visited the OSC what do I expect?

- Easy and Timely Business start up in Uganda.
- Manufacture of quality products that meet national and international standards
- Operating in a legally friendly environment with Government support.
- After care services and Monitoring to ensure better operations
- Expect Government support
- Expect Business contacts to enable
